

Students requiring medication during school hours:

1. The Student must have a completed School Medication Prescriber/Parent Authorization Form.
2. Medication must be transported by the student's parent/legal guardian and signed in through the office by the school nurse or trained medication assistant. STUDENTS ARE NOT ALLOWED TO TRANSPORT ANY TYPE OF MEDICATION TO AND FROM SCHOOL.
3. Prescription medications must be kept in a current pharmacy labeled container marked with the student's name, dosage, name of drug and directions for administration. No expired (by date on label &/or packaging) medications will be administered in the school setting.
